

CUMBERLAND MOUNTAIN SAMS NEWSLETTER

(February 2010)

Our meeting was held at Golden Corral Restaurant in Cookeville. Following a delicious lunch President Sutton opened the meeting. Those present were: Delbert & Donna Butson--Leonard & Loretta Flatt--Tony & Ruth Grogan--Denny & Carol Raines--Ken & Frances Smith--and Howard & Priscilla Sutton. Guests included: Bob & Sue Luttmann. Welcome back Bob and Sue. Good to see you again!

How about this weather!! Anyone ready for Spring? Howard and I have been seeing so many robins already! We can't wait to start filling our motor-home with all the necessities.

WANTED: Warm weather during the day and a warm campfire by night. Ken Smith really knows how to have a nice campfire!!

NEEDS: All of you, coats, boots (for all the mud), sandals for those of you who are warm blooded, clothing of every kind, lots and lots of food (just in case I forget ours),snacks, and most importantly, (A BIG SMILE).

I am happy to report, coming directly from Loretta Flatt, that Maxine Austine is now home from the hospital. Welcome home Maxine, we've really missed you both. Please take care! On this note we were sad to hear Sue Miers had suffered a heart attack. Hope she is recovering well.

President Sutton handed out new phone books to the members and also stated that anyone having e-mails will now receive their newsletters by e-mail. All others will continue with theirs being sent by regular mail.

Our club this year will be presenting the Mystic Moon Society, for our May Samboree. For those who haven't joined this, it has been changed slightly. Curious?? Don't know what it is?? Join us at the Samboree and find out for yourselves! It's always interesting and a lot of fun!!! Live it up a little!

Any of you who attended the Alabama Samboree last year, will receive your patches as soon as possible. To date, the State haven't received them as of yet. When they come in they will notify President Sutton.

BIRTHDAYS:
