

DAVY CROCKETT SAMs

Lawrenceburg, TN Chartered May 10, 1987 Vol. 24 No. 8

One of the favorite campgrounds of the Davy Crockett Sams is Defeated Creek in Carthage, TN. There were nine rigs that were able to attend the August 8-14, 2010, campout.

Those attending were: Paul and Lorene Chandler, Ken and Margaret Miller, Roy and Carolyn White, John and Peggy Yurgel, Ron and Marie Owens, Clifford and Gladys Sharp, James and Cynthia Martin, Jack and Pam Belew and Don and Sandie Burgdorf.

Hot may be an understatement. This is the first campout that I can think of where most of us stayed inside our rigs more than outside. Most of the stirring about, was either early morning or evening. There were a few evenings that we sat outside and enjoyed each others company.

Caution! Men at work! James was having a problem under his rig. He and Ron are working to get some straps tightened and Clifford is ready to assist if needed.

I hear that Ken is the man to see if you have a leaking tire. He went to the professionals who couldn't find the leak. So, he decided to find the leak. He headed to the lake with the tire, and after much hard work at keeping the tire under the water, he found the leak. Good job Ken!!!

Due to the temperatures, we didn't have our usual hamburger/hotdog cookout on Wednesday. Instead, most everyone went into Carthage and had lunch at Carthage City Limits restaurant. The food was good and the prices were very reasonable. Thursday, we cooled down with some homemade ice cream. We thank James and Cynthia for the peanut butter, Ron and Marie for the strawberry and Ken and Margaret for the vanilla. All three were fantastic!!

One of the traditions we enjoy when camping at Defeated Creek is going to the Donoho Hotel in Red Boiling Springs, TN, on Friday. It is a nice scenic drive and we always enjoy the family style meal. The Donoho Hotel, which was built around 1900, serves breakfast, lunch and dinner.

We appreciation and thank James for getting our new sign made and having it at our campout this month. It looks great and will be displayed proudly at each campout for years to come.

Minutes from the Meeting

The meeting was moved to 9:00 a.m. and was very brief due to the temperatures.

President Ron Owens started the meeting by leading us in prayer.

The minutes from the July meeting were read and approved. The treasurer gave the monthly report which was also approved.

James reported on the shirts. The shirts, including the Davy Crockett design embroidered on it, are \$18.00 each (\$19 for 2X and \$20 for 3X). Please see, or call, James and let him know how many shirts you would like and the sizes. His number is 931-762-7283 (H) or 931-629-7283 (Cell).

Clifford made a motion to adjourn and Gladys seconded.

Things to Remember

Our next campout is September 5th-11th at Joe Wheeler State Park in Rogersville. Keep in mind that Labor Day is Monday, Sept. 6th, and it may be late Monday before you can get a campsite.

Please continue to pray for our members who have been through treatments for cancer or who have recently undergone medical procedures/surgeries.
