

## Fish Fry Sams

"During their October 2007 camping trip to Natchez Trace State Park, Lexington, TN, the Fish Fry Sams of Paris, TN worked on quilts to be donated to the TN State Veterans' Home in Humboldt. Members also created 214 prayer angels which have been included in Christmas packages sent to our soldiers in the Middle East. Among the chapter members who worked on these projects are (left to right) Juanita Jones (Chapter President) Margaret Jackson, Rita Riola (Chapter Secretary/Treasurer) and Kay Richardson."
